euroson2017

EUROSON 2017 is now running **3 full days of lectures 22 – 24 September**
Provisional programme will be online in March

Call for submissions from National Societies for the Young Investigators Award for EUROSON 2017 Ljubljana, Slovenia

The EUROSON Young Investigator's Award is considered for work in the field of clinical and/or basic research. The award is available for an original paper (not published at the time of the Congress), free communication and/or poster presented at a EUROSON Congress. One or two prizes totalling €3,000 shall be awarded. All details can be found in EFSUMB Bylaw 4.
