

## EFSUMB EUROSON LECTURERS

DATE OF CONGRESS	NAME OF LECTURER AND LECTURE TITLE
31 <sup>st</sup> EUROSON Granada, Spain May/June 2019	Dr Søren Rafaelsen - Denmark 'The role of modern ERUS and MRI in rectal cancer'
30 <sup>th</sup> EUROSON Poznan, Poland September 2018	Dr Andrzej Nowicki - Poland 'The value of ultrasonography in assessment of flow mediated dylation in radial artery'
29 <sup>th</sup> EUROSON Ljubljana, Slovenia 23 September 2017	Dr Massimo Mischi – The Netherlands 'Prostate cancer detection and localization by dynamic contrast enhanced ultrasound imaging'
28 <sup>th</sup> EUROSON Leipzig, Germany 29 October 2016	Dr Vito Cantisani – Italy 'Ultrasound elastography for superficial organs: How, when, why'
27 <sup>th</sup> EUROSON Athens, Greece 7 November 2015	Prof Torben Lorentzen – Denmark 'Ultrasound Guided Intervention- 2015 Update'
26 <sup>th</sup> EUROSON Tel Aviv, Israel 28 May 2014	Dr Peteris Prieditis - Latvia 'Some practical aspects of thyroid cancer preoperative diagnosis'
25 <sup>th</sup> EUROSON Stuttgart, Germany 10 October 2013	Prof Mathias Fink – France 'Non-invasive angiomaging with ultrafast ultrasound imaging'
24 <sup>th</sup> EUROSON Madrid, Spain 22 April 2012	Prof Boris Brkljačić - Croatia 'Role of vascular ultrasound in the era of non-invasive angiomaging'
23 <sup>rd</sup> EUROSON Vienna – Austria 27 August 2010	Prof Ioan Sporea - Romania 'Can liver elastography replace liver biopsy - today or sometime?'
22 <sup>nd</sup> EUROSON Copenhagen –Denmark 22 August 2010	Dr Paul Sidhu - UK 'Testicular Ultrasound – as good as it gets?'

21 <sup>st</sup> EUROSON Edinburgh – UK 7 December 2009	Prof Dieter Nuernberg - Germany 'Ultrasound and Endosonography in diagnostics or adrenal diseases'
20 <sup>th</sup> EUROSON Timisoara – Romania 2 June 2008	Prof Kurt Jäger – Switzerland 'Ultrasound has fundamentally transformed vascular medicine'
19 <sup>th</sup> EUROSON Leipzig – Germany 26 October 2007	Prof Michel Claudon –France 'The practice of ultrasound: Turf battles or win-win situations'
18 <sup>th</sup> EUROSON Bologna – Italy 16 September 2006	Prof Odd Helge Gilja – Norway 'Ultrasound of the stomach – A technical challenge'
17 <sup>th</sup> EUROSON Geneva – Switzerland 26 September 2005	Prof Peter Burns - Canada 'New Horizons For Bubbles In Ultrasound'
16 <sup>th</sup> EUROSON Zagreb – Croatia 6 June 2004	Prof Norbert Gritzmann - Austria 'Soft Tissues of Head and Neck: Potentials and Limitations'
15 <sup>th</sup> EUROSON Copenhagen – Denmark 29 April 2003	Prof Jochen Hackelöer - Germany 'Intrauterine Therapy - Standard and Future'
14 <sup>th</sup> EUROSON Warsaw – Poland 6 July 2002	Dr Francis Duck – United Kingdom 'Working Towards the Boundaries of Safety'
13 <sup>th</sup> EUROSON Edinburgh – United Kingdom 13 December 2001	Dr Hylton B Meire – United Kingdom 'Paediatric Liver Ultrasound: 20 Years of Progress'
12 <sup>th</sup> EUROSON Florence, Italy 6- 10 May 2000	No EUROSON Lecture
11 <sup>th</sup> EUROSON Berlin – Germany 29 September 1999	Prof L Pourcelot - France 'Ultrasound and Hemodynamics. An old and modern couple'
10 <sup>th</sup> EUROSON Tours – France 26-30 March 1998	Prof H H Holm - Denmark 'Interventional Ultrasound 1998'
9 <sup>th</sup> EUROSON Budapest Hungary 3 October 1996	Prof David Cosgrove - United Kingdom 'Echo-enhancing (US Contrast) agents: a new era for US
8 <sup>th</sup> EUROSON Innsbruck – Austria 13-16 October 1993	Prof F Weill - France 'The future of Ultrasound'
