

EFSUMB Support for Young Abstract Presenters at EUROSON Congresses

Application evaluation

- Applications are reviewed by the EFSUMB Publications Committee for Executive Board approval
- The criteria is based on the quality of the abstract and not previously presented or published. A short CV is required to be submitted with the application
- Applicants are notified at least 3 months before the next EUROSON Congress
- Successful applicants are requested to attend the EUROSON Congress during which awardees are announced

Conditions

- Applications shall be made in English
- Abstracts shall be in the Congress required format (up to 300 words and may contain images and tables plus references)
- The applicant shall be an EFSUMB National Society, Affiliated Society or individual member
- The principal applicant's age shall be aged 35 and under at the start date of the congress
- There is no restriction on nationality and profession (including students)
- Low and middle income countries are encouraged to apply
- There is no restriction on resubmitted applications
- In order to process applications, EFSUMB will need to process the applicant's personal data as provided in the application. The applicant gives their consent to such control and processing of their personal data and EFSUMB will handle the applicant's personal data in accordance with all applicable legislation.

Support

- Up to 500 euro for congress support on presentation of receipts
- Available for up to 5 candidates in a EUROSON congress year
- Free congress registration
