FOR ULTRASOUND IN MEDICINE AND BIOLOGY**

EUROSON LUBLIN2026

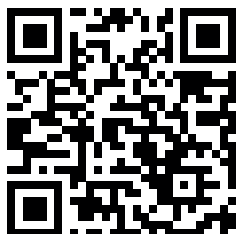

11–14 June 2026

**Lublin Conference Centre,
Grottgera 4, Lublin, Poland**

#Innovation #Knowledge #Connection

Ladies and Gentlemen,

On behalf of the Presidents of EUROSON 2026, Professor Anna Drelich-Zbroja and Professor Vito Cantisani, and the Organizing Committee, we are pleased to invite you to the **36th Congress of the European Federation of Societies for Ultrasound in Medicine and Biology**, held together with the **17th National Congress of the Polish Society of Ultrasound**, taking place from **11th to 14th June 2026 in Lublin, Poland**.

This exceptional event, organized by the Polish Ultrasound Society in collaboration with EFSUMB, is one of the most significant scientific meetings in the field of ultrasonography in Europe. The congress will bring together leading experts and researchers from across the continent, creating a unique platform for the exchange of knowledge, experience, and the latest scientific achievements in medical ultrasound.

The scientific program will include plenary sessions, expert lectures, hands-on workshops, industry sessions, and special panels for young researchers — all in a spirit of openness, collaboration, and shared passion for science.

Lublin, often referred to as the capital of eastern Poland, is the largest and most rapidly developing city on the eastern side of the Vistula River. As the capital of the Lublin Voivodeship, it serves as the administrative, economic, and cultural hub of the region. With a rich seven-century history and a unique position as a multicultural melting pot, Lublin boasts a captivating atmosphere, stunning architecture, and numerous historical landmarks.

We look forward to welcoming you to the 36 EFSUMB Congress in the charming city of Lublin!

With kind regards,

Anna Drelich-Zbroja, MD, PhD
Professor of Radiology
EUROSON 2026 President

Vito Cantisani, MD, PhD
Professor of Radiology
EUROSON 2026 President
