SPONSORSHIP PROPOSAL FOR MEDICAL VENDORS AND BUSINESS

36TH CONGRESS OF EUROPEAN FEDERATION
OF SOCIETIES FOR ULTRASOUND
IN MEDICINE AND BIOLOGY

EUROSON
LUBLIN 2026

CONGRESS

It is an honor for the Polish Society of Ultrasound to host the Euroson 2026 Conference in the historic city of Lublin, Poland.

Euroson 2026 will offer a dynamic platform to connect with experts, share cutting-edge research, and explore the latest innovations in ultrasound across medical disciplines. Through an inspiring program of keynote lectures, hands-on workshops, and engaging discussions, you will have the opportunity to deepen your knowledge and contribute to the advancement of our field. Join the European ultrasound community in shaping the future of diagnostic and interventional imaging at Euroson 2026 in Lublin — a city where tradition meets innovation.

VENUE

The Lublin Conference Center is a modern, multi-purpose venue located in the heart of Lublin. The location of the venue is excellent in terms of logistics, allowing for very quick and convenient access by public transport.

A modern building with 9 floors, including 6 above ground, covering an area of over 13,000 square meters. The façade is made of combined materials, with the front part fully glazed. On the 5th floor, there is a spacious terrace and a restaurant.

The LCK is located at ul. Grottgera 2, just a 10-minute drive from the Lublin Main Railway Station. The venue is easily accessible by car from all parts of Poland, with direct connections via the S12, S17, and S19 expressways. You can also reach us from Lublin Airport in less than 20 minutes via direct bus connections or taxi services.
