

**Subject:** Invitation to Participate – Euroson POCUS School Vienna 2026 (7th Edition) on **11-12 September 2026**

**Dear Colleague,**

It is our pleasure to invite you to attend the **7th Edition of the Euroson EUVEKUS POCUS School Vienna**, taking place on **11–12 September 2026** at the **Medical University of Vienna, Austria**.

The Euroson POCUS School is a **well-established, post-graduate educational platform**, now in its seventh year, dedicated to advancing **competency-based education, standardized curricula, and evidence-based clinical practice in Point-of-Care Ultrasonography (POCUS)** for frontline and ambulatory care physicians.

This edition is **EFSUMB Endorsed** and organized **with the support of WONCA Europe**, reflecting our commitment to **high-quality, guideline-based POCUS education for family and primary care physicians across Europe**.

### Conference Theme

**Curriculum Development and Clinical Practice Guidelines for POCUS in Daily Practice – Basic Level**

### Learning Objectives:

- Harmonize **European and national POCUS curricula**
- Develop and implement **clinical practice guidelines**
- Integrate POCUS safely into **daily workflows** in primary care, family medicine, and ambulatory settings

### Key Educational Highlights

- **7th consecutive edition**, reflecting a strong tradition of academic excellence
- **International faculty** with expertise across multiple POCUS applications
- **Guideline-based, evidence-driven curriculum**
- Combination of **lectures, workshops, case-based discussions, and panels**
- **Hands-on training** with small groups (max. 5 participants per tutor)
- Opportunity for **networking, academic exchange, and faculty mentoring**
- Planned **EACCME accreditation**
